Job

Applying for a Frontend Web Developer.

About

I am Satyabrata Divedi from Kushinagar, Uttar Pradesh (India). After completing my B.Sc., I decided to start a career in IT. In 2022, I joined Edureka Institute to become a Frontend developer. Recently I have been pursuing **MCA** from Chandigarh University. Currently, I have learned HTML, CSS, SCSS and Bootstrap. Now I am learning JavaScript and after completing this, I plan to learn REACT.js. I am a quick learner of new coding languages. I am always eager to learn new things to grow please give me a chance I will never let you down.

Internship

CodSoft- Certificate

I have done this Internship in August 2023. During this internship, I created three projects: a landing page with HTML & CSS, a portfolio webpage, and a calculator with HTML, CSS and JavaScript.
