About

I am Satyabrat Divedi from Kushinagar, Uttar Pradesh (India). After completing my B.Sc., I decided to start a career in IT. In 2022, I joined Edureka Institute to become a Frontend developer. Currently I have learned HTML, CSS, SCSS and a little bit about Bootstrap. Now I am learning JavaScript and after completing this, I plan to learn REACT.js and Angular.js . I am a quick learner of new coding languages.

Job Profile

I am a fresher and I am applying as a Web Developer (Frontend Developer).

Language

My regional Language is Hindi and also I understand English but not fluent speaker in English Language.
